Thank You for Purchasing StarMaterials.com Materials

Your students deserve the best. The enclosed materials were designed and reviewed by master teachers so that you will have the best materials for your students.

Copy Restrictions - Thank you for purchasing this product. You may use it in your classroom for your students. It is a violation of international copyright to share these documents and or passwords with anyone that did not purchase them.

Terms of Use

By use of this site and the materials contained herein, you agree that StarMaterials.com, and affiliate sources, shall not be held liable for any direct, indirect, incidental, special or consequential damages that result from the use of, or the inability to use, this site or the content. You specifically acknowledge and agree that you will use the materials as intended and abide by the above copy restrictions. You specifically acknowledge and agree that StarMaterials.com materials are provided for your personal, classroom, and non-commercial use, unless otherwise specified. Digital products may be accessed by a password or otherwise protected manner for your classroom. You may not copy, modify in any manner, transmit, display, distribute, perform, reproduce, publish, license, create derivative works from, transfer, or sell any information, products or services except as specified herein.

Frequently asked Questions:

Question: Why should I give feedback?

Answer: Your feedback helps make better products and you can also earn credits. These are some great reasons to give feedback.

Question: How do I follow you on [TeachersPayTeachers](#)?

Answer: Go [here](#) and click on the link under the "STAR" and you will know when we have new materials or click on the star above.

Question: How do I print only one page from this document?

Answer: How to print only one page? Go to <http://www.bit.ly/starprint>

Question: I bought this for two science teachers in my school to use. That's OK right?

Answer: Sorry, you can NOT share a set of purchased products or answer keys with another teacher, department or school division. You can NOT share, resell post electronically, or reproduce in any way purchased materials without expressed permission - even one sheet without violating international copyright laws.

Question: What about additional FAQs?

Answer: More FAQs can be found [here](http://www.starmaterials.com/Help): <http://www.starmaterials.com/Help>
